

D&G Events Limited Company Profile

About Us

D&G is a youths led event planning and management firm with a wide range and diverse expertise in corporate, formal and informal events management ranging from conferences, banquets, seminars, trainings, fundraisings, sports events, workshops, annual general meetings, trade shows and expos and road shows.

D&G rose as an infant offering standard protocol services and has grown to an event management firm committed to making the clients and delegates memory of an event a priceless one.

Our Mission

To be one of the regional leading events planning and management firm grounded in the principles of professionalism, quality, efficiency and purpose while transforming the client's vision into tangible outputs.

Our History

D&G is an outcome and a product of faith, commitment and passion, it started as a protocol and etiquette group of young graduates and has grown to a bold firm with diverse experts in events planning and management and is determined to become one of the leading regional firms in the near future, the group started working together since 2017 and was formalized to a company in 2023.
